FOR IMMEDIATE RELEASE:

THE CARIBBEAN-AMERICAN POLITICAL ACTION COMMITTEE RECOMMENDS BAHAMAS HURRICANE RESTORATION FUND

Friday, September 6, 2019

WASHINGTON, D.C. - On behalf of C-PAC, co-founder Chris Gardiner accompanied the Bahamas Counsel General, Mr. Theo Neilly, to a meeting with the DC Chamber of Commerce today. The meeting was attended by the Chairman and President (former DC counsel member Vincent Orange) of the Chamber, and a number of prominent DC businessmen. The purpose of the meeting was to discuss the situation in the Bahamas, and how the Chamber could best provide assistance.

A number of avenues are to be pursued in the next few days. The public will be informed. We have attached here information for the Bahamas Chamber of Commerce Bahamas Hurricane Restoration Fund for those of you who may wish to make a financial contribution.

The Bahamas Chamber is one of a limited number of organizations approved by the Bahamian government for this purpose. However, it is not a government operated or controlled fund. It is a US registered 501C (3) organization. Consequently, all contributions are tax deductible. C-PAC recommends this organization to our members and friends, and those in the wider Caribbean community, who may wish to make a financial contribution.

If you have an organization or church in the Bahamas you would like to direct your contribution to you can note that on your check. And we would appreciate your sharing this information with your social network. The need is great. The suffering is extensive. Your help is needed. It will be greatly appreciated.

Established in 2005, the Caribbean-American Political Action Committee (C-PAC) advances the political agenda of Caribbean-Americans currently residing in the Washington, D.C. Metropolitan Area (including Washington, D.C., Baltimore County, Prince George's County, Montgomery County, and Northern Virginia).
